

include/BBOP/Graphics  
/EBO.h

```
graph TD; A["include/BBOP/Graphics  
/EBO.h"] --> B["GL/glew.h"]; A --> C["GLFW/glfw3.h"]
```

The diagram illustrates a header file dependency. A top box labeled 'include/BBOP/Graphics/EBO.h' has two blue arrows pointing downwards to two separate boxes. The left box is labeled 'GL/glew.h' and the right box is labeled 'GLFW/glfw3.h'. This indicates that the 'EBO.h' header file includes both 'glew.h' and 'glfw3.h'.

GL/glew.h

GLFW/glfw3.h
