

Vector3< float >

```
graph BT; V3f[Vector3f] --> V3f_float[Vector3< float >];
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom contains the text 'Vector3f'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white box above it. The white box contains the text 'Vector3< float >'. This visualizes 'Vector3f' as a specialized or derived version of the more general 'Vector3<float>'.

Vector3f
