

include/BBOP/Graphics  
/VBO.h

```
graph TD; A["include/BBOP/Graphics/VBO.h"] --> B["GL/glew.h"]; A --> C["GLFW/glfw3.h"];
```

The diagram illustrates a header file dependency. A central box at the top represents the file `include/BBOP/Graphics/VBO.h`. Two blue arrows originate from the bottom of this box, pointing downwards to two separate boxes below. The left box contains the text `GL/glew.h`, and the right box contains the text `GLFW/glfw3.h`. This visualizes that the `VBO.h` header file includes both `glew.h` and `glfw3.h`.

GL/glew.h

GLFW/glfw3.h
